VOLUNTEER ENGAGEMENT: "DISCIPLINED TO SERVE"

THE TENSION *Disciplined To Serve vs. Trained To Serve*

- ❖ Being **TRAINED** says I now know **HOW** to do it, being **DISCIPLINED** says I know **WHY** I do it.
- ❖ Discipleship is the process of someone helping you reach your God given potential.
- ❖ Discipleship is helping people become everything Christ wants them to become.
- ❖ Discipleship is modeling for you what it is and how to apply it and walking with you until you figure it out.

Just because one is saved it, does not make one a disciple. So consequently, we have expected those who **SERVE** to respond like, what they've never seen **MODELED**.

*Jesus Did Not See Them.... Then Was Moved To Use Them... But...
JESUS SAW THEM... THEN WAS MOVED WITH COMPASSION...*

Compassion is the sometimes-fatal capacity for feeling what it is like to live in someone else's skin. We see this played out in the story of Jesus feeding the 5,000 in Mark's Gospel. In denoting Jesus' compassion for the crowds before He feeds them, the Greek verb indicates that He was 'moved in His innermost being or entrails', such was His ache for them. Compassion moves God to action, and it moves us likewise.
