

SERVANT LEADERSHIP IN NUTSHELL: "PEOPLE FIRST"

Christian = Christ Like

HEART: Who are you when nobody is looking?

STEP
01

"Leadership is first a spiritual matter of the heart. Whenever you have an opportunity or responsibility to influence the thinking and the behavior of others, the first choice you are called to make is whether to be motivated by self-interest or by the benefit of those you are leading."

HEAD: What do you believe?

STEP
02

"The journey to leading like Jesus starts in the heart with motivation. Your intent then travels through another internal domain, the head, which examines your beliefs and theories about leading and motivating people"

HANDS: What do your actions say about you?

STEP
03

"You show what is in your heart and head in what you do with your hands: your motivations and beliefs about leadership affect your actions"

HABITS: What spiritual disciplines do you practice regularly?

STEP
04

"Your habits are those activities you do in order to stay on track with God and others. Jesus modeled two types of habits for us: Being Habits and Doing Habits. As a leader committed to leading like Jesus, you must make time to replenish your energy and refocus your perspective."
